NICHOLALALA

Something so scary happened yesterday!
What?

I was working in the field as the sun was setting...

...and I saw a monstrous shape in the distance!

So I threw a rock at it!

and then...

it threw a rock back at me!

And then I ran away!
So scary!

hmmm...

Hey
Hey

Have you been throwing rocks at ahjummas?
Married, middle aged women are called 'ahjumma' in Korea

NOPE!

Oh, because I heard it was
a huge, scary monster

Oh that was definitely me!

Don't throw rocks at people!
She did it first!
